" Five Step System To Overcome Success Barrier" 1 On 1 Coaching With Lalitha Brahma

I imagine that YOU may be asking YOURSELF the following questions. Hence the questions are prepared that way. Herebelow are my answers:

Q-1 How can I Qualify for 1 on 1 Coaching?

1. You fall in ONE Of The following categories:

Category-A

I am a Mom, self-employed and WANT to enjoy Entrepreneurship. I thought, I have the determination and the ability to be a successful and fulfilled Entrepreneur. But every small family event/nagging thought/negative emotion, stares at me like a HUGE boulder. I feel like I am pressing BOTH the Accelerator/gas pedal and the Break of my CAR at the same time, which I know is NOT good, but do not know WHY I feel that way?

Category-B

I just lost my job/retired from my job/may lose my job. I WANT to operate my OWN business. I am having a confused mindset of WANTING to be my OWN boss, but afraid of entering the UNKNOWN arena of Entrepreneurship/self-employment. I realize that I need help with understanding the mindset shifts needed to transition from an employee to an Entrepreneur/self-employment.

2. You are AWARE that you fall into one of the above categories and WANT to take care of it by the end of this year and make your Year 2012 more rewarding, peaceful and profitable.

3. You don't want a general book OR an audio, but you DO WANT a custom made 5 STEP PLAN TO OVERCOME YOUR SUCCESS BARRIER comprising of Action Worksheet, Written Transcript of affirmations and Downloadable Digital mp3audio Recording of phrases to be said during tapping on various energy points using Emotional Freedom Technique EXCLUSIVELY created for your specific situation, that has PROVEN to change the lives of people, who belonged these categories and coached with me.

However, I have helped people like you, using the very same techniques that I use every day to make empowering choices for my business and family. I am able to do that because I consistently learn and test the knowledge and wisdom gained from some of the leading experts like Mark joyner, Brian Tracy, Jim Rohn, Kendall Summer hawk Ali Brown and Gary Craig and others. I have been an Entrepreneur since 2002 after transitioning from being an EMPLOYEE in Management position for over 21 years. I am certified in Basic Emotional Freedom Technique.

Here is how we differ from any other 1 on 1 coaching:

We understand that you treat yourself as an IMPORANT and Valuable person/business owner. Hence you have made the decision to invest in 1 on 1 Coaching. We understand that you WANT to reap rewards by taking action. **It is not possible to follow through and reap rewards just with an hour of 1 on 1 telephone coaching.** To make sure that you take consistent ACTION, in addition to identifying your BARRIER, we offer YOU a 5 Step Plan system comprising of audio and transcripts EXCLUSIVELY done for your situation, so that you can stay on track to run your business profitably and lead a harmonious lifestyle.

Q-6-Why should I coach with you?

1. I am offering this ONLY to my Ezine subscribers. As you are a subscriber and are reading my Ezines, I take it that I am providing value to you, your lifestyle and business.
2. You can learn more about my professional experience in my [Linkedin profile](#) /[Testimonials](#)/[EzineArticles Expert Author](#).
3. I have invested thousands of dollars in myself and my business through several Business and Personal Development Coaching programs. Eric Lofholm's "Sales Protoge", Kendall Summerhawk's "Brand Authenticity", Ali Brown's "Marketing Mastery", Mark Joyner's "7 Day Business Turnaround" are few of the programs that I have graduated from.

I have learned from these experts, who are still in their Entrepreneurial journey and implemented their teachings, and created a proven system to transform the blockage/barrier TO Clarity/peace and profits. that keeps me moving forward. Due to time constraints, I would now like to help ONLY 5 of my Ezine Subscribers

If you consider it worth your while to coach with me, I will be happy to be a part of your Entrepreneurial journey.
